**From The Presidents**

Dear Lovely Ladies,

Finally, after seemingly endless months of uncertainty, a return to some kind of normality is on the horizon. We can look forward to reconnections – when socializing and social contact can finally be resumed. Imagine: hugs and handshakes, seeing family, meeting friends, coffee catch-ups and lunches, holidays abroad. Those human interactions once enjoyed and taken for granted are tantalizingly within reach. Soon, it may just be possible to plan ahead: to book that flight, schedule time with family, and to plan for a brighter future.

On that note, thank you to all that attended the in-person meetup in March. We had a wonderful time catching up with one another. We had a group of about 30 members and we all enjoyed Susan Rae Jensen's program on heart health. There were lots of good questions and interaction. Our April in-person program will feature elder issues. Please put our April 14 meeting on your calendars. It should be another fun and informative meeting.

We are over the moon to announce that we will be holding our annual May Spring Luncheon this year at the Gold Hills Mesa Community Center! Our theme is the summer Olympics. We can accommodate up to 80 people. There will be no charge for this event. We will have a full menu, wine, and music. You can dress up in your favorite Olympic colors – blue, yellow, black, green, and red. The colored interlocking rings represent the five continents of the world, united by Olympism. We will send out additional details in a separate flyer. Get ready to celebrate!

A big thanks to everyone for your continued support of our club. We love you all and can't wait to see everyone again.
