Presidents' Letter

Dear Lovely Ladies,

Many of us feel hopeful at the start of the new year. On January 1st of 2020, it was a start of a new decade and it seemed like it held a great deal of promise. But then Covid-19 happened, threatening our health and safety. The quarantines began, businesses closed, and many of us lost loved ones. We all struggled and the suffering we experienced collectively brought us together in a way none of us had anticipated. When we have no control over certain situations, it can be hard to imagine what we can learn. We didn't do anything that resulted in these circumstances. Suffering often happens without cause and it's incredibly unfair. We can still learn from it, however, which is helpful in our recovery and our work to become stronger and more resilient. In moving forward, let's remember that there are no guarantees about the future, but we can make plans, spend time with those we care about, and find hope by reflecting on what we have overcome.

It has certainly been a challenging year for our membership, but as part of an effort to stay engaged and to support one another, we are going to do our first ever ZOOM meeting on January 13, 2020 at 9:45 a.m. The program will feature a DVD of humorist, Jeanne Robertson. An overnight success half a century in the making, Jeanne Robertson keeps audiences rolling on the floor with laughter. At 77 years young, this former Miss North Carolina stands tall at six-foot-two and has a personality, heart and sense of humor just as soaring. Robertson embodies the classic Southern woman. This refined humorist brings delightful Southern charm and loads of laughter to each performance. Jeanne Robertson's humor is sharp and witty, and always leaves a lasting impression.

We look forward to connecting with y'all soon and sharing laughs, smiles, and giggles. Make sure that you put our January 13 meeting on your calendar. Details on accessing the meeting are on the following page.

Happy New Year! Xoxo ♥

Time to review your investments and be re-positioned for 2021! Why not do something new and join our group? 7 out of 10 women will outlive their husbands (source: www.marketwatch.com) and be forced to take over managing their assets. Even if you hire a money manager, you will need to be able to read a financial statement and understand your performance. BE PROACTIVE and join us in a nonthreatening environment for a course in managing your money. We'll cover stock selection, mutual fund analysis, long term care insurance, hiring a money manager, asset allocation, bond analysis, and other timely subjects. PLEASE CONFIRM BY SENDING ME AN EMAIL. ***"Too often we underestimate the power of a touch, a smile, a kind word, a listening ear, an honest compliment or the SMALLEST ACT OF CARING, all which have the potential to turn a life around."
Leo Buscaglia***

Ladies, please remember to contact me when you know or hear about one of our members experiencing a health problem, surgery, hospitalization, death in the family or any other life changing situation. I will then send out the appropriate card on behalf of all of our members. In some cases, I will follow up with a phone call to see how things are going and if any help is needed.

Thank you for your support...It is because of all of you and many previous members that we are such a kind and caring group to include this committee in our organization!

All other activities continue to remain on hold until it is safe to meet again.
